Standardised Price List

All funeral directors are legally required to publish this Price List for a standardised set of products and services. This is to help you think through your options and make choices, and to let you compare prices between different funeral directors (because prices can vary).

This is a funeral where family and friends have a ceremony, event or service for the deceased person at the same time as they attend their burial or cremation

Taking care of all necessary legal and administrative arrangements **£545**

Collecting and transporting the deceased person from the place of death (normally within 15 miles of the funeral director's premises) into the funeral director's care **£195**

Care of the deceased person before the funeral in appropriate facilities. The deceased person will be kept at both the funeral director's branch premises and at other non-branch premises **£370**

Providing a suitable coffin - this will be made from oak wood-effect veneer **£345**

Viewing of the deceased person for family and friends, by appointment with the funeral director (where viewing is requested by the customer) **£45**

Unattended Funeral

This is a funeral where family and friends may choose to have a ceremony, event or service for the deceased person, but they do not attend the burial or cremation itself

Burial (funeral director's charges only) £1,325

Cremation (funeral director's charges plus the cremation fee) £1,295

We also have a range of funeral packages which contain all the traditional elements of a funeral service to give you peace of mind and time to focus on making the funeral right for you and your loved one. See our packages brochure for more information.
